

THE SOLUTION FOR  
DOGS WHO PEE INSIDE

## What Is The Chihuansie?

The Chihuansie is a full-body onesie for small dogs designed to hygienically absorb and contain dog urine. Not only do they work great but they come in lots of fun styles too.

## The Chihuansie works great for...

- Nervous Bladders     Incontinence
- Unaltered Dogs     New Puppy
- Middle-of-the-Night Accidents
- Home Long Hours While You Work
- Road Trips and Flights

## How Does It Work?

A feminine hygiene pad, attached to the lining, absorbs the mess while the double-walled body prevents leaks. Once soiled, just take off the Chihuansie, swap out the used pad with a clean one, and redress your dog.

No More Unsightly Pee Pads  
No More Ill-Fitting Dog Diapers  
No More Unsanitary Belly Wraps  
No More Accidents!
